Friday 6th November 2026

Dear Parents and Carers,

What a fantastic first week back we have had! It has been wonderful to welcome the children back into school, and they have all settled quickly into their learning and routines.

Movie Night

A huge thank you to everyone who supported our Movie Night this week. It was a fantastic event, with lots of fun had by all! We were delighted with how well attended it was, and the feedback from children and families has been incredibly positive. Due to its success, we will be planning another Movie Night very soon, so keep an eye out for more details.

Please make sure you take a look at the dates further below for the many exciting events taking place this term.

Book Fair

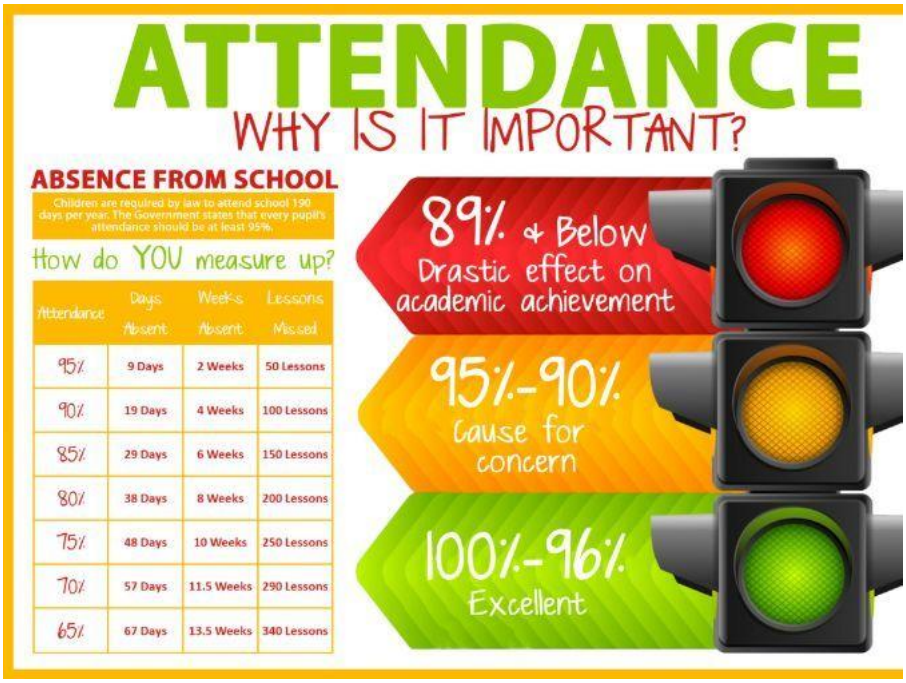
Next week, we are looking forward to welcoming the Book Fair into school. During the week, children will have the opportunity to browse the books with their classes, and the Book Fair will also be open after school each day for families to visit together. Please look out for separate Dojo posts and posters containing further information.

Children in Need

On Friday 13th November, we will be supporting Children in Need**.** Children are invited to come to school wearing something yellow or spotty (and any Children in Need accessories they may have) in exchange for a £1 donation to support this wonderful charity.

Attendance

Finally, attendance this week has not been quite as strong as we would like and is currently below our target. Let's work together to get it back to where we want it to be. Remember, great attendance supports great achievement, and every day in school makes a difference to children's learning and progress.



Bonfire & Firework Safety

As many families may be attending bonfire and firework celebrations over the coming days, please take a moment to remind children about the importance of staying safe. Children should always remain with a responsible adult, keep a safe distance from bonfires and fireworks, and follow any instructions given by event organisers. We hope everyone has a wonderful time celebrating and stays safe while enjoying the festivities.

After-School Club & Extra-Curricular Clubs

There are still spaces available in several of our after-school clubs. These provide a wonderful opportunity for children to develop new skills, enjoy different activities and spend time with their friends.

Please also remember that we have places available in our (very reasonably priced!) After-School Club provision. If you require wraparound care or even if you want your child to pop along for an hour to see what it's all about, please take a look at the timetable below and contact the school office for further information:

Monday: Painting and a range of indoor and outdoor play activities

Tuesday: Play dough, Lego and a range of indoor and outdoor play activities

Wednesday: Arts & Crafts and a range of indoor and outdoor play activities

Thursday: Just Dance, Lego and a range of indoor and outdoor play activities

Friday: Movie Night with popcorn and a range of indoor and outdoor play activities
