RE: Welcome Back.

Welcome Back to another school year at Radcliffe Primary School. Welcome also to our new families who have joined us in EYFS and across the school. We hope you have all enjoyed your summer break and are motivated to get back to school.

At Radcliffe Primary School we are committed to ensuring that every child has the best possible opportunity to achieve their full potential. One of the most significant factors in a child's success is attending school regularly and arriving on time every day.

September is a brand-new term and a clean slate for attendance- every pupil starts with 100% attendance.

We feel it is a good time to share our expectations for attendance so that all families have the opportunity to implement routines and prepare for the term ahead, encouraging regular attendance at school and enabling children to thrive. Even one day absence can cause attendance to fall significantly.

Our school expectation is that all pupils achieve **at least 97 % + attendance**, with the aim of every child attending school every day unless they are genuinely too unwell to do so. All illness must be reported to the school office, each morning your child is absent from school, before 9:00am.

We greatly value the partnership we have with parents and carers and appreciate your continued support in helping your child develop positive attendance habits that will benefit them throughout their education and beyond.

Radcliffe Primary School are continuing to actively work with parents/carers to help improve pupil attendance across the school. If you feel you need any additional support in this matter, please contact school.

Here's to a fantastic term ahead.

Kind Regards,

Mrs A Walsh.

Headteacher.
