UPDATE

ATTENDANCE

We've had a great start with attendance but seen a little decline this week with coughs and colds creeping in. This doesn't always mean your child has to stay off. We follow the NHS guidance of giving your child Calpol and sending them into school as we don't their learning to be affected. We will always ring you if we feel your child is too poorly to stay in school. If your child is unwell and you're not too sure if their illness can be managed in school or not, please contact the school office and we will give you.
