ATTENDANCE

Please see the previous correspondence, taken from the NHS website, which offers support and guidance around illness. As stipulated in the letter, we want to make sure the children are in school so they can continue to learn and thrive. 😊 If your child is off school and you have informed the office, we will still make follow-up phone calls so we can give further advice/support around attendance.

Our whole school attendance this week has been **91.9%**.

The winning classes for attendance this week are: 1st place= **1G with 98.8%**, 2nd place= **2D with 96.3%** and 3rd place= **5S with 95.8%**.

Attendance Matters!

Every Student, Every School, Every Day

SCHOOL ENTRANCE/CAR PARK SAFETY

Please ensure you are supervising your children at all times outside the school entrances before and after school. Additionally, please ensure they do not come onto the carpark as it can get very busy. The children's safety is our utmost priority. Thank you for your cooperation in this matter.
