ATTENDANCE

Attendance Matters!

Every Student, Every School, Every Day

This week, our whole school attendance is **95.6%**. Our winning classes this week are:

1st place= **3G** with **99.1%**, 2nd place= **6T** with **98.3%** and 3rd place=**5S** with **96.8%** Well done everyone!

Being in school every day really does make a difference to children's learning, confidence and friendships. Every lesson counts, and when pupils attend regularly they are better able to build on their knowledge and keep up with their learning.

In addition, we kindly ask parents and carers to make any routine appointments for their children outside of school hours wherever possible. Recently, we have seen an increase in pupils being collected during the school day, which can be disruptive to both their learning and the wider class. We understand that some appointments are unavoidable, but keeping these to out-of-school times helps ensure children do not miss valuable learning opportunities. Thank you for your continued support in helping us maintain strong attendance and a smooth learning environment for all.

DUMPLING SQUISHY TOYS

We would like to make you aware of a recent safety concern regarding "dumpling swishy" toys. It has come to our attention that some of these items may contain potentially harmful or toxic substances. As a precaution, we strongly advise that these toys are not brought into school.

In addition, we kindly remind families that fidget toys should not be sent into school without prior discussion and approval. If you feel your child would benefit from using a fidget or sensory item, please seek guidance from our SENDCo, Mrs Francis, and your child's class teacher before bringing anything in.

The safety and wellbeing of our pupils is our top priority, and we appreciate your support in helping us maintain a safe learning environment.

YEAR 6 SATS WEEK

We would like to remind you that SATs Week will begin on Monday 11th May. This is an important time for our Year 6 pupils, and we are very proud of the effort and progress they have made in preparation.

We kindly ask for your support in ensuring that your child arrives at school on time each day, has had a good night's sleep, and eats a healthy breakfast to help them feel prepared and confident.

Further information about the schedule and arrangements for the week will be shared with you shortly.

Have a lovely Bank Holiday weekend and we will look forward to seeing you back in school on **Tuesday 5th May**.

Mrs Walsh
