

Dear Parent/Carer,

Here is our latest newsletter with updates and information about school life.

Please remember to check our school website and Facebook page on a regular basis for news and information.

ATTENDANCE

Attendance Matters!

Every Student, Every School, Every Day

This week, our whole school attendance is **95.2%**. Our winning classes this week are:

Joint 1st place= **2D & 5S** with **97.9%**, 2nd place= **6T** with **97.3%**. Well done everyone!

Being in school every day really does make a difference to children's learning, confidence and friendships. Every lesson counts, and when pupils attend regularly they are better able to build on their knowledge and keep up with their learning.

We would also like to remind families of the importance of arriving at school on time each day. A calm and punctual start helps children feel settled and ready to learn. Thank you to all our parents and carers for supporting good attendance and punctuality.

PARENTS' EVENING

Thank you to all the parents and carers who attended our Parents' Evening on Wednesday. We truly appreciate you taking the time to meet with us and engage so positively in conversations about your child's progress. Your support, questions, and partnership play a vital role in helping us provide the best possible learning experience for your child. It was wonderful to see so many of you and I would also like to express my thanks for completing the questionnaire, which will help us to strengthen the school further.

ONLINE SAFETY

Please follow the link below to view this interesting post about online safety:

COMIC RELIEF & NON-UNIFORM DAY

The children have embraced being dressed in red and white today. With your generosity and support, we raised £145 for the charity. Thank you!

Just a reminder that next Friday is non-uniform day in exchange for Easter egg donations.

PARKING REMINDER

Please park safely and responsibly when dropping off and collecting children. Recently, we've noticed an increase in cars stopping on double-yellow lines and parking close to corners opposite the school gates. Parking in these areas reduces visibility for both drivers and pedestrians, making it difficult for children and families to cross safely. Even short stops can create hazards. Please help us keep everyone safe by:

*Avoiding parking on double-yellow lines * Keeping junctions and corners clear

*Allowing extra time to find a safe, legal parking space

Your cooperation makes a big difference in keeping our school community safe. Thank you for your support!

Have a lovely weekend and we will look forward to seeing you back in school on Monday.

Mrs Walsh
